

# Public Speaking & Presentations

This course package covers everything you need to know to make an impact on your audience, whether you're delivering live or online presentations and speeches.

You will learn how to manage your nerves, present yourself on stage, use your voice to its full potential, tell a great story, engage your audience and impact them to act on your message.

In developing your skills we will work on improvised speeches, analyse others and prepare a speech on any topic of your choosing which will be presented and filmed in the last class.

## What will be covered

- Strategies for stage fright & anxiety
- Stage Presence & Gravitas
- Posture, gestures & Body Language
- Clarifying speech message
- Art of storytelling
- Audience engagement
- Fluency, Eloquence & Articulation
- Voice, projection & Intonation
- Technical aspects: microphone, lavalier, lighting, camera framing etc.

## Timeframe & Lesson Info

12 x 1 hour lessons, 1 x week, for 3 months.

With an additional 1 month grace period to use up all lessons to cater to rescheduling; conflicting schedule or illness.

\*Alternative arrangement: lesson schedule is also possible 2 x week, or every fortnight to cater to your needs, in which case a new time frame to use up the lessons is set.

### Cancellation policy

The course runs for 3 months with 1 month extra to make room for busy periods or unexpected situations. You will have 4 weeks extra to cover any missed lessons ( 4 months in total).

Beyond the 4 months, any remaining lessons are nulled.

## Lesson Package & Cost

- 12 x 1 hour lessons
- Lesson materials and handouts
- Discount for ongoing lessons with me
- Total cost = \$840 USD

\*Once the course is completed, students are offered a discounted rate to continue learning on a regular or casual basis.
